# We Know Lighting.

LED lighting, lighting controls and related products.

## BEGA

Lighting and illumination technology for outdoors and all areas of architecture.

## CREE

Lighting-class LEDs, LED lighting, and semiconductor products for power and radio-frequency (RF) applications.

## Dialight

LED lighting solutions, specializing in light-emitting diode lighting for hazardous locations.

## EMERGI-LITE

Specification-grade emergency lighting and exit signs for commercial and harsh industrial environments.

## FINELITE

*Better Lighting*

Energy-efficient lighting systems for classrooms and offices.

## HOLOPHANE

HID and LED lighting systems for commercial, industrial, emergency, roadway and other indoor & outdoor applications.

Award-winning and energy-efficient light sources for retail stores and elegant office spaces.

## LEVITON

Lighting controls, network solutions, occupancy sensors, dimmers.

## PHILIPS LIGHTOLIER

From track lighting and recessed light fixtures to wall dimmers and controls.

## LUTRON

Wide selection of energy saving dimmers and lighting control solutions.

## RAB

LIGHTING

High quality and well designed indoor/outdoor LED lighting, fixtures, sensors and controls.

## S RAA

Simply Perfect™ Light

Pioneering lamps using LEDs built from pure gallium nitride substrates (GaN on GaN™).

## TECH LIGHTING

Hi-tech, low voltage lighting. Cable, canopy, and flexible mono-rail track systems.

## WattStopper

Simple, scalable and flexible energy efficient lighting controls and solutions for commercial applications.

Our mission is to become the trusted source for fulfilling all of our customers' electrical projects and parts needs. We will earn and retain this privilege by providing our customers the exceptional experience of on-time delivery, the right solutions, and the best price.
